## OUR MISSION AT MVT

In 1995, Helen Messenger, a retired pediatric nurse, founded Mesa Vista Farm, a place where the whole family could learn about animals through direct interaction. It has grown to become Mesa Vista Therapeutics, Inc., (MVT) a non-profit program with comprehensive individualized riding programs for the physically and mentally challenged. Our goal is to provide individualized therapeutic horse back riding programs for those with special needs.

## Andrea Kauder

You may have heard that Andrea Kauder was a mother, a wife, a teacher, a writer, a thinker, an equestrian, or even a chicken farmer.

In truth, she was all of that and more. The dynamic nature of Andy's spirit touched everyone around her. As a teacher of children with special needs, Andy understood and valued the healing effect that an animal bond has on the physically and mentally challenged. Andy had a passion for letting every student she taught enjoy their life to the fullest, no matter the obstacles.

In loving memory of Andy Kauder, Mesa Vista Therapeutics, Inc., appreciates your interest in this memorial golf benefit for Mesa Vista Therapeutics, Inc. Our charge is to leave a lasting impression on the spirit of each individual that comes to us. With your participation and support, we can turn Andy's passion into a program that affords all the opportunity to enjoy a better quality of life.

All contributions made to MVT are tax deductible. \$35 of each individual donation is tax deductible.
